KAYMET ELECTRIC TABLE HOTPLATES

A luxury range of electric table hotplates with anodised surrounds, heated by an electric element on the underside of the toughened bronze glass. All models incorporate a hotspot for soup and hot drinks and are fitted with a temperature control, neon switch and removable lead (3 metres)

Finishes: Gold, black, silver and bronze anodised. The hotplates comply with:- The Low Voltage Electrical Equipment (Safety) Regulations: SI 728: 1989 Specification EN60 335-1: 1988 with amendments 1 to 10 & EN60 335-2-12: 1991

The essential requirements of the EMC Directive, number 89/336/EEC, Test Standard EN55014: 1993

The CE marking is placed on all the above hotplates.
