RUBBER GRIP TRAYS

A series of round Rubber Grips, which protrude through the tray base, ensure that the tray surfaces are non-slip and at the same time form an attractive pattern that enhances the overall appearance.

A highly functional tray, sold in hospitality, china and glass departments, specialty stores and design-led gift, kitchen and cook shops.

500/RG Series available in silver, black and gold
 STT/RG Series in silver, matt black/silver, and gold
 2000/RG Series in silver and matt black/silver
